COMEDK UGET – 2025 FOR ENGINEERING COURSES

The Hon'ble Supreme Court in TMA Pai Foundation Vs. the State (2002) 8 SCC 481, Islamic Academy of Education Vs. the State reported in (2003) 6 SCC 697 and PA Inamdar Vs. the State of Maharashtra reported in (2005) 6 SCC 537 held that all institutions imparting same or similar professional education can join together for holding a common entrance test satisfying the triple tests of being fair, transparent and non-exploitative. Accordingly, Karnataka Unaided Private Engineering Colleges Association (KUPECA) comprising of more than 150 Engineering colleges in Karnataka have joined together and have entrusted COMEDK with the responsibility of conducting the entrance examination and seat selection process based on a **single common entrance test followed by centralized counselling** to students seeking admissions in their member institutions so as to ensure fair and merit based admissions as envisaged in the above judgments. To this effect, KUPECA has issued a mandate to COMEDK to conduct its **Under Graduate Entrance Test (UGET-2025)** for admission to Engineering courses for member institutions/Universities participating in the said process.

Since inception, COMEDK has been conducting its entrance test on the second Sunday of May every year. But because of conflict of date with other national level examination, the schedule had to be altered and UGET – 2025 will be conducted on **Saturday the 10th May 2025**. The test will be Computer Based and will be conducted on All India basis across the Country to facilitate the students to appear in the test closer to their homes and is aimed at minimizing the cost of travel and other logistics.

A detailed calendar of events and the information Brochure along with eligibility criteria in this behalf would be hosted on the website (www.comedk.org) in due course. The candidates are required to check the website for all the updates. It may be noted that "www.comedk.org" is the only official website of the Consortium and COMEDK is not responsible for information available on other websites / elsewhere.

It has come to our notice that even though COMEDK has cautioned them, some of the candidates are still depending upon third parties such as Internet Cafe, Education Consultants, random websites etc. for all COMEDK related activities, be it making application, downloading TAT or Rank cards, choice filling in the counseling and payment of fees. COMEDK again advises aspiring candidates and their parents/guardians against such third parties which may result in compromising your personal details which may fall into the wrong hands and you may incur financial loss.

The candidates and their parents/guardians doing such activities by whatever means will be doing so at their own risk and consequences. COMEDK will not be liable for any loss or damage that may be suffered or incurred directly or indirectly in this regard. COMEDK advises the candidates to bring these activities to the notice of the concerned law enforcement authorities.
